Note to Racers: We've got quite a bit a feedback to scale back the Windrock 100 Race in both scope and entry fee. So, we're listening. Registration will still start at 6 am and run until 8:30 am.

The new race will be ONE lap only and start at 9:00 AM. There will be NO TEAMS. There will be beer and burritos afterwards and pint glasses awarded to all finishers. The new entry will be \$45. This entry includes a one-day pass for Windrock. Anyone with a Windrock pass can get a refund for that portion of the entry. If we have enough entries, we will award prizes to the top 3 finishers (this will require approximately 30 riders.)

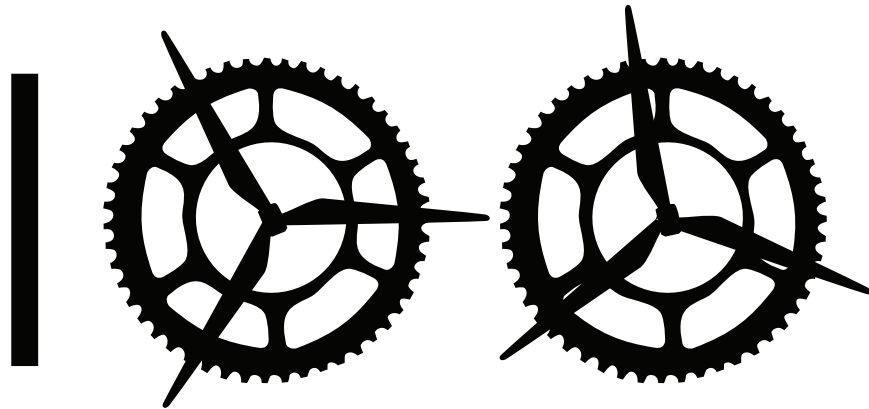

Special apologies to Ed McCalley of the BikeZoo who has been registered for this event for over a month.

Come out and see how much training you need to do before the 12 hours of Hill of Truth!

Special thanks to all of those who worked so hard on the trails and logistics for this event.
